

HRDC: Resources & Development Center (Musekee Resources Development Foundation), Monthly

Report : HANDCLASP

Month : April 2022

Dear friends and families in Christ. Co-workers in Christ,

Why pray for others? Doesn't God know their needs better than we ever could? Indeed, the Bible says, "Your Father knows what you need before you ask him" (Mt.6:8)

We pray for others, not to inform God about their needs, nor to persuade Him to love them more. By praying for others we are adding our love and concern to God's, and uses both His compassion and ours to bless others.

Relax in the knowledge that the One who controls your life is totally trustworthy. There is nothing God cannot provide. Halleluiya. Do not search for security in the world you inhabit. There is a better way to find security in this life, Fix your eyes not on what is seen, but on what is unseen.

Let us not fear what this day may bring our way, but concentrate on trusting God and on doing what needs to be done. Relax in His sovereignty, remembering that Him go before us, as well as with us into each day. Fear no evil, for He can bring good out of every situation we will ever encounter.

I on behalf of the kids, staffs and all the people whom you have been reaching them, would like to express our heartiest Thanks to all of you who never stop praying for us and continue to support and filling the gap, We have nothing to give in return of what you have done for us, but pray that the Lord will continue to bless you and the works you are doing.

Health Report :

Praise the Lord for protecting and preventing us from all the situation, though there are more and more covid positive all over our District. Thank God for answering your prayer. We are protected by God Halleluiya Amen

The activities of the children and staffs of HRDC:

Children who are staying during the holiday are learning many skills, making food, cleaning, learning to love one another, and continue to memorize the Bible verses.

We are so thankful to God and all of you for your faithful support in helping the children's dream become true.

This year in 2022 we have 20 graduated from the college. Thank God for giving a chance to many of

our graduate children to come back and get job as teacher, nurses, clerks and leaders in their own community. Let us continue to thank and praise God for what He has done for us. Your prayer and financial support you have given is not in vein, what you have done for others will last forever.

Visiting children at their village and passing the Word of God into their heart that they can memorize and store in their heart.

Because of the covid 19 covering our District, we have decided to help support the kids and their families and giving items which will help them prevent or cure when they have covid in their family. We are so

thankful to AMG support for this special project.

Community Service:

Easter celebration with Ban Mai Phatana Church, as usual we all went up to the mountain early in the morning. The kids are excited –searching the hidden snacks under the bush. The kids are excited in the early activities more than worshipping at the church.

Then we all went back to church for breakfast and

worship at the church, thanking and praising Him for this special moment of the Christ resurrection through which we receive eternal life.

Mueng Paem Church building is still under construction, and have just done the plastering, cannot work on because the whole village is quarantine, hoping to continue to work in May.

On 16 April we had an Evangelistic Team of Musekee meeting, as a first time meeting after the covid and with new leaders of the churches. We all agree not to slow down any more because the time short Rev. 1:3 'Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein, for the time is at hand. So it is time to rise up and preach the Gospel. Satan has been slowing down by using this Covid pandemic.
